

# FLOW = ACCESS

Applying flow strategies to maximize patient & resident access to appropriate care.

Great news.

We have updated the “Flow = Access” section of the Leaders’ Resource Centre:

<http://leadersresource.providencehealthcare.org/operations/flow-access>  
*(The link is also pasted below for easy clicking.)*

Here, you can find all things flow including definitions, protocols, a growing list of tools and resources and, of course, Flow Facts.

We still have more work to do on it before it’s the one-stop-shop we envision but we’re excited with how it’s shaping up and would appreciate your feedback!
